Education

University of North Texas Bachelor of Fine Arts 2013-2017

Major: Dance

At UNT, I studied the dance styles Modern, Ballet, Jazz, Tap, African, along with other cultural dances. In addition to technique classes, I studied dance kinesiology, dance pedagogy, dance & technology, and much more. Outside of the classroom, I volunteered my time to help wherever I was needed.

Experience

Six Flags Over Texas May 2013 – Dec 2015

At Six Flags I worked in the Entertainment Department as a character and character escort. Here, I gained experience dealing with large, impatient crowds in a short amount of time.

North Texas Emeralds July 2013 – Dec 2017

This recreational dance organization gave me the bulk of my community service experience. As President, I worked tirelessly to build this organization.

Chi Tau Epsilon Jan 2016 – Dec 2017

I joined this dance honor society because they made it their mission to promote the appreciation for dance in the community. Shortly after joining, I was elected President where I incorporated more interaction between our members and the community.

University of North Texas Aug 2017 – Dec 2017

I worked as a Maclab Assistant where I aided dance students with their homework and technology needs. Additionally, I was employed as a Teacher's Assistant and Grader.

Red Rocks Community College April 2017 – April 2018

I worked as a Group Leader for South Lakewood Elementary and Stevens Elementary. In this job, I provided before and after-school care for school-aged students where we engaged in a variety of age-appropriate activities.

Skills, Certifications, & Honors

Creative, Analytical, Caring.

While in college, I received both the Lucille Murchison and Altermann Fund dance scholarships. In April of 2017 I was awarded 'Outstanding Student in Service' by my dance department because of my work promoting dance in the community. Although my experience with animals is limited, the desire I've had to speak for those who cannot has been a part of me. I have a passion for helping others and I'm ready to bring that to your company.
